About Me

I am a childminder and I believe that the home environment plays a very important part in the care of a young child.

Your child is very special to you and also to me, and I know he/she will be the most precious thing in your life, so I understand this will be a difficult decision for you to leave your child in the care of someone else who you don't really know.

Hopefully I will be able to ease any worries you may have, and in doing so I can provide you with reassurance, stability and consistency in your child's care. I will offer a happy, loving, home environment and all the stimulation and teaching to help your child through his/her development years before starting a new journey at school.

I am Ofsted registered and have been graded as a "GOOD" provider of childcare with areas of "OUTSTANDING".

I am also a member of Professional Association for Childcare and Early Years (PACEY).

I will provide a safe, healthy, clean, warm, caring and "home from home" environment for your child.

I will encourage the children in my care to be polite with good manners and I will help all the children to build their confidence and independence.

Healthy Eating & Meals

I promote healthy eating and snacking helping towards 5 a day. I usually provide a hot meal at dinner ie cottage pie, fish fingers and noodles, unless a picnic is required.

Fees and Payments

Payment can be made in cash or standing order, either weekly, 4 weekly or monthly in advance. I also accept work related voucher payment schemes. When your child reaches 3 years old, I can also offer 15/30 hour government funding. The day for payment will be stated on the contract.

Holidays

Each year I will take 6 weeks holiday (usually during school holidays) and 3 days between Xmas and New Year. I will notify you of the dates around December but they tend to be normally February / August / October.

My Working Hours

The hours I work are from 8am to 5.30pm, Monday to Thursday, but of course I can be flexible if the need arises. If you know you will be arriving after your contracted pick up time, please contact me by phone or text to let me know in case I have other commitments to fulfil at that time.

Photographs

Every 4 months I will pass over a CD containing photos of your child, taken while playing or out and about. This will enable you to join in with our adventures and talk about them with your child.
